Certificate Of Analysis

Invoice Number: 2013SD-1269

Invoice Date: Sep.24,2013

Name Of Product: Aminoacetic acid FCCIV/USP31

Batch no.: 1309240967

Quantity: 2000kgs

Manufacturing date: Sep.24,2013

Expiry date: Sep.23,2015

Description: white crystalline powder

Content on dry basis: 99.50% (should between 98.3% - 101.5%)

pH: 6.09 (should between 5.6 and 6.5)

Heavy metals (as Pb): complies (should not more than 0.002%)

Loss on drying: 0.09% (should not more than 0.20%)

Iron (as Fe): complies (should not more than 0.001%)

Residue on ignition: 0.05% (should not more than 0.1%)

Chloride: complies (should not more than 0.007%)

Ammonium: <0.02% (should not more than 0.02%)

Sulphate: complies (should not more than 0.006%)

Lead: complies (should not more than 0.0005%)

Aranic: complies (should not more than 0.0001%)

Conclusion: conforms to FCCIV/USP31 standard
