

CERTIFICATE OF ANALYSIS

Product Name: Cosphagard® Exact
 INCI Name: Phenoxyethanol, Ethylhexylglycerin
 Article No: 03-009-0025
 Batch: CH00001371
 Manufacture Date: February 02nd 2023
 Shelf Life: 24 months
 Report Date: February 21st 2023

Property	Test Method	Specification	Result	Unit
Appearance	visual	clear, colourless to light yellow viscous liquid	complies	
Odour	organoleptic	almost odourless, characteristic	complies	
Colour (Hazen)	TM A-016	max. 50	0	
Density	TM A-003	1.087 – 1.092	1.090	g/cm ³
Refractive index	TM A-001	1.522 – 1.534	1.527	
Phenoxyethanol	TM C-022	88.5 – 91.5	90.7	%
Ethylhexylglycerin	TM C-023	8.5 – 11.5	8.9	%
Phenol	TM C-024	max. 10	max. 5	ppm

The Certificate of Analysis does not release customers or manufacturers from their responsibility to perform an incoming goods inspection. The shelf life information refers to our standard specification and requires appropriate storage conditions as given in the technical data sheet. Measured values reflect the status at the time of analysis and for some parameters can be subject to change upon storage.
